Opportunity Development Fund

Derby City Workshop
15th November 2022

Workshop Objectives

1. Recap on the ODF opportunity
2. Look at how a data-driven approach can support a project's bid for funding
3. Provide an overview of the Florence Nightingale Hospital project and identify how ODF could provide support
4. Identify other projects/opportunities across the Derby City area which ODF could support
5. Identify 'next steps'

Overview of ODF Programme

- The North Midlands Region have successfully bid for support from **Opportunity Development Fund (ODF)**
- Focus on **capital pipeline development and collaborative priorities** in line with the Government's 'Levelling Up' agenda
- An OPE approach with **creative and collaborative thinking about estates strategies and capital plans** to address inequalities across key thematic areas of Housing, Education, Health and Regeneration

General Outputs across the Public Sector

- 1 Better understanding between public sector organisations of their physical presence (estate & service)
- 2 Greater understanding of local needs and opportunities, especially levels of inequality
- 3 Establishment/enhancement of network between service providers
- 4 Sharing of knowledge between public sector organisations
- 5 Enabling of more integrated health and social care estate, focusing on areas with highest inequalities in health, education, and housing

Specific Outputs for each Project/Opportunity

- 1 Identification of specific project/opportunity
- 2 Potential project partners/key stakeholders
- 3 What project is anticipated to deliver (assessed against inequalities)
- 4 How project is to be developed/taken forward
- 5 Key dates/timescale for delivery
- 6 Indicative levels of investment required

Discussion Questions

1. How can we benefit from a wider collaborative approach?
2. How do we use this information to benefit from external funding opportunities?
3. Are there any additional projects or opportunities you would like to see included?

Other Potential Projects & Opportunities?

Next steps

- Submit projects via the micro-site form – launching this week
- Creation of a pipeline list of projects which reflect funding priorities and opportunities
- Additional works to support subsequent development of projects and opportunities, including further partner collaboration where appropriate
- Data mapped to support projects in submitting future bids
- Timescales - **By Mid Jan** – share initial findings/recommendations. **January to March** – progress with a recommended pipeline of projects
