

Cabinet Office

Derbyshire ODF

Opportunity Development Fund

Chesterfield Workshop
30th November 2022

Introductions

- Project Team
- Everyone in attendance

Workshop Objectives

1. Recap on the ODF opportunity
2. Look at how a data-driven approach can support a project's bid for funding
3. Provide an overview of the health project and identify how ODF could provide support
4. Identify other projects/opportunities across the Chesterfield area which ODF could support
5. Identify 'next steps'

Overview of ODF Programme

- The North Midlands Region have successfully bid for support from **Opportunity Development Fund (ODF)**
- Focus on **capital pipeline development and collaborative priorities** in line with the Government's 'Levelling Up' agenda
- An OPE approach with **creative and collaborative thinking about estates strategies and capital plans** to address inequalities across key thematic areas of Housing, Education, Health and Regeneration

General Outputs across the Public Sector

- 1 Better understanding between public sector organisations of their physical presence (estate & service)
- 2 Greater understanding of local needs and opportunities, especially levels of inequality
- 3 Establishment/enhancement of network between service providers
- 4 Sharing of knowledge between public sector organisations
- 5 Enabling of more integrated health and social care estate, focusing on areas with highest inequalities in health, education, and housing

Specific Outputs for each Project/Opportunity

- 1 Identification of specific project/opportunity
- 2 Potential project partners/key stakeholders
- 3 What project is anticipated to deliver (assessed against inequalities)
- 4 How project is to be developed/taken forward
- 5 Key dates/timescale for delivery
- 6 Indicative levels of investment required

Networks

Current Projects Nominated

- One in Derby City
- One in Bolsover and NE Derbyshire
- One (4 locations) in Amber Valley
- One in Chesterfield

Current list of submitted projects

- **Florence Nightingale Community Hospital** – refurbishment of out of date wards in community hospital
- **Amber Valley** – multi-use regeneration project involving 4 towns (Heanor, Ripley, Alfreton, Belper)
- **Bolsover** – town centre regeneration scheme
- **Chesterfield** – health scheme

Building the case through Data-Driven approach

<https://youtu.be/57vEy7NTKBI>

Health Scheme Project and beyond

Discussion Questions

1. How can we benefit from a wider collaborative approach?
2. How do we use this information to benefit from external funding opportunities?
3. Are there any additional projects or opportunities you would like to see included?

What can you do to get involved?

- Details of **existing capital projects** (healthcare, housing, education, regeneration).
- **Identify planned capital projects in those areas of greatest need.** Particularly those which are vacant / under utilised or in need of investment.
- Provide **feedback** on the data shown today.
- Provide **feedback and insight** on other data sets
- **Supply your project information.** Proforma (to be shared) which is based on previous OPE calls for projects information. Enabling responses to funding opportunities to be more agile.

Next steps

- Submit projects via the micro-site form – launching very shortly
- County-wide Teams Call happening 5th December from 1 pm to 2.30 pm. Opportunity to bring forward any project ideas for discussion
- Creation of a pipeline list of projects which reflect funding priorities and opportunities
- Additional works to support subsequent development of projects and opportunities, including further partner collaboration where appropriate

Next steps

- Data mapped to support projects in submitting future bids
- Timescales - **By Mid Jan** – share initial findings/recommendations. **January to March** – progress with a recommended pipeline of projects
