

Cabinet Office

Derbyshire ODF

Opportunity Development Fund

Erewash Workshop
22nd November 2022

Introductions

- Project Team
- Everyone in attendance

Workshop Objectives

1. Recap on the ODF opportunity
2. Look at how a data-driven approach can support a project's bid for funding
3. Provide an overview of the Regeneration project and identify how ODF could provide support
4. Identify other projects/opportunities across the Erewash area which ODF could support
5. Identify 'next steps'

Overview of ODF Programme

- The North Midlands Region have successfully bid for support from **Opportunity Development Fund (ODF)**
- Focus on **capital pipeline development and collaborative priorities** in line with the Government's 'Levelling Up' agenda
- An OPE approach with **creative and collaborative thinking about estates strategies and capital plans** to address inequalities across key thematic areas of Housing, Education, Health and Regeneration

General Outputs across the Public Sector

- 1 Better understanding between public sector organisations of their physical presence (estate & service)
- 2 Greater understanding of local needs and opportunities, especially levels of inequality
- 3 Establishment/enhancement of network between service providers
- 4 Sharing of knowledge between public sector organisations
- 5 Enabling of more integrated health and social care estate, focusing on areas with highest inequalities in health, education, and housing

Specific Outputs for each Project/Opportunity

- 1 Identification of specific project/opportunity
- 2 Potential project partners/key stakeholders
- 3 What project is anticipated to deliver (assessed against inequalities)
- 4 How project is to be developed/taken forward
- 5 Key dates/timescale for delivery
- 6 Indicative levels of investment required

Networks

What can you do to get involved?

- Details of **existing capital projects** (healthcare, housing, education, regeneration).
- **Identify planned capital projects in those areas of greatest need.** Particularly those which are vacant / under utilised or in need of investment.
- Provide **feedback** on the data shown today.
- Provide **feedback and insight** on other data sets
- **Supply your project information.** Proforma (to be shared) which is based on previous OPE calls for projects information. Enabling responses to funding opportunities to be more agile.

Next steps

- Submit projects via the micro-site form – launching shortly
- County-wide Teams Call happening 5th December from 1 pm to 2.30 pm. Opportunity to bring forward any project ideas for discussion
- Creation of a pipeline list of projects which reflect funding priorities and opportunities
- Additional works to support subsequent development of projects and opportunities, including further partner collaboration where appropriate

Next steps

- Data mapped to support projects in submitting future bids
- Timescales - **By Mid Jan** – share initial findings/recommendations. **January to March** – progress with a recommended pipeline of projects
