# Derbyshire ODF
## Opportunity Development Fund

### South Derbyshire Workshop
### 2nd December 2022

# Introductions

- Project Team
- Everyone in attendance

# Workshop Objectives

1. Recap on the ODF opportunity
2. Look at how a data-driven approach can support a project's bid for funding
3. Provide an overview of potential projects in South Derbyshire and identify how ODF could provide support
4. Identify 'next steps'

# Overview of ODF Programme

- The North Midlands Region have successfully bid for support from **Opportunity Development Fund (ODF)**

- Focus on **capital pipeline development and collaborative priorities** in line with the Government's 'Levelling Up' agenda

- An OPE approach with **creative and collaborative thinking about estates strategies and capital plans** to address inequalities across key thematic areas of Housing, Education, Health and Regeneration

# General Outputs across the Public Sector

**1** Better understanding between public sector organisations of their physical presence (estate & service)

**2** Greater understanding of local needs and opportunities, especially levels of inequality

**3** Establishment/enhancement of network between service providers

**4** Sharing of knowledge between public sector organisations

**5** Enabling of more integrated health and social care estate, focusing on areas with highest inequalities in health, education, and housing

# Specific Outputs for each Project/Opportunity

**1** Identification of specific project/opportunity

**2** Potential project partners/key stakeholders

**3** What project is anticipated to deliver (assessed against inequalities)

**4** How project is to be developed/taken forward

**5** Key dates/timescale for delivery

**6** Indicative levels of investment required

# Networks

**Current Projects Nominated**

- One in Derby City

- One in Bolsover and NE Derbyshire

- One (4 locations) in Amber Valley

- One in Chesterfield

# Current list of submitted projects

- **Florence Nightingale Community Hospital** – refurbishment of out of date wards in community hospital

- **Amber Valley** – multi-use regeneration project involving 4 towns (Heanor, Ripley, Alfreton, Belper)

- **Bolsover** – town centre regeneration scheme

- **Chesterfield** – health scheme

# Building the case through Data-Driven approach

# Discussion

Discussion Questions

1. How can we benefit from a wider collaborative approach?

2. Are there any projects or opportunities you would like to see included?

3. How do we use this information to benefit from external funding opportunities?

# What can you do to get involved?

- Details of **existing capital projects** (healthcare, housing, education, regeneration).

- **Identify planned capital projects in those areas of greatest need**. Particularly those which are vacant / under utilised or in need of investment.

- Provide **feedback** on the data shown today.

- Provide **feedback and insight** on other data sets

- **Supply your project information**. Proforma (to be shared) which is based on previous OPE calls for projects information. Enabling responses to funding opportunities to be more agile.

# Next steps

- Submit projects via the micro-site form – launching very shortly

- County-wide Teams Call happening 5th December from 1 pm to 2.30 pm. Opportunity to bring forward any project ideas for discussion

- Creation of a pipeline list of projects which reflect funding priorities and opportunities

- Additional works to support subsequent development of projects and opportunities, including further partner collaboration where appropriate

# Next steps

- Data mapped to support projects in submitting future bids

- Timescales - **By Mid Jan** – share initial findings/recommendations. **January to March** – progress with a recommended pipeline of projects
