North Midlands OPE Development Fund

South Notts
14th December 2022

Workshop Objectives

1. Recap on the ODF opportunity
2. Look at how a data-driven approach can support a project's bid for funding
3. Discuss and identify projects/opportunities across the South Notts area which ODF could support
4. Talk through 'next steps'

Overview of ODF Programme

- The North Midlands Region have successfully bid for support from **Opportunity Development Fund (ODF)**

- Focus on **capital pipeline development and collaborative priorities** in line with the Government's 'Levelling Up' agenda

- An OPE approach with **creative and collaborative thinking about estates strategies and capital plans** to address inequalities across key thematic areas of Housing, Education, Health and Regeneration
General Outputs across the Public Sector

1 Better understanding between public sector organisations of their physical presence (estate & service)

2 Greater understanding of local needs and opportunities, especially levels of inequality

3 Establishment/enhancement of network between service providers

4 Sharing of knowledge between public sector organisations

5 Enabling of more integrated health and social care estate, focusing on areas with highest inequalities in health, education, and housing

Specific Outputs for each Project/Opportunity

1 Identification of specific project/opportunity

2 Potential project partners/key stakeholders

3 What project is anticipated to deliver (assessed against inequalities)

4 How project is to be developed/taken forward

5 Key dates/timescale for delivery

6 Indicative levels of investment required

Potential Projects & Opportunities

Discussion Questions

1. Are there projects or opportunities you would like to see developed?

2. How can we benefit from a wider collaborative approach?

3. How do we use this information to benefit from external funding opportunities?

Next steps

- Submit projects via the micro-site form – see email for details

- Creation of a pipeline list of projects which reflect funding priorities and opportunities

- Additional works to support subsequent development of projects and opportunities, including further partner collaboration where appropriate

Next steps

- Data mapped to support projects in submitting future bids

- Timescales - **By Mid Jan** – share initial findings/recommendations. **January to March** – progress with a recommended pipeline of projects
